

What's new in the Heritage City this July...

### **Brisbane Street Art Festival**

The Brisbane Street Art Festival is coming to Ipswich this year! Seven walls will be painted in the CBD from July 27 to August 23. Public viewing opportunities to meet the artists at their walls will be held between 10am and 2pm on August 8 and 9. There will also be workshops for budding creators to learn from the nationally recognised artists taking part over August 8 and 9 and a live stream broadcast from Studio 188 on Saturday August 8 from 5pm-8pm featuring live artist interviews, local music performances and a live scribble slam battle!

Three artists have strong local connections Fintan Magee's dad was head of art and design at the old Bremer TAFE in Ipswich and he has worked with youth/schools in the region previously to paint public murals, Gus Eagleton has lived in Ipswich previously and his works are featured in the Woollen Mills and Rachel Sarra is a local indigenous artist born and raised in Ipswich.

The walls being painted include 15 Bell St (Ipswich Health Plaza), 131 Brisbane St (Limestone St Centre – facing South St), D'Arcy Doyle Place (Ipswich Art Gallery), 164 Brisbane St (CIRCA 160 Dancing Bean), 34 Nicholas St Precinct (Icon Alley), 101 Limestone St (Fire Station 101) and 188 Brisbane St (Studio 188).

### **New Mustang at V8 Race Experience**

The brief to design a new car for the V8 Race Experience was to get it as close to a real V8 Supercar as possible, and the new V8 Mustang doesn't disappoint. It is a full chassis race car designed so the public can drive the closest thing to a real supercar – Australia's first real race car experience. It's 98% race car with many components used in the real deal, it has Supercar brakes and Supercar Dunlop super soft slick tyres, it has Haltech engine management with over 500HP, Supercar suspension, a 6 speed H pattern manual gearbox and it is available to drive at Queensland Raceway from July 25. The new V8 race experience car will be based at Queensland Raceway for about half of their drive days every year.
